Class Association

Principal Contact: Berecz Zsombor info@procelero.hu

Location - Hungary

Hungary is situated in Central and Eastern Europe, having its borders with Austria, Slovakia, Ukraine, Romania, Slovenia and Croatia.

The capital of Hungary is Budapest having an international airport (LisztFerenc International Airport). Vienna Airport and Bratislava Airport are also nearby.

Lake Balaton has an easy highway access from various directions. It is a 1,5 hours drive from Budapest Airport and 2,5 hours drive from Vienna Airport.

Host Club/Organizing

- **Procelero SE is based in Csopak**
- **The sailing club has a modern boat and vehicle park, as well as all the facilities to serve as a hosting venue for international regattas.**
- **Our aim is to provide high quality sailing and racing experience on and off shore as well, provide a friendly atmosphere and a great community feeling for everyone visiting us.**
- **Procelero SE is a major cooperating partner to the Municipality of Csopak, providing its expertise in the community tasks for youth and sports.**
- **We have a highly qualified team and community, the members of which have longtime experiences in sailing race management and who have been part of the international regattas, championships organized on Lake Balaton in the last 15 years.**

Infrastructure and facilities

- The venue has a large area (5000 m²) for boat park which is directly connected to the slipways/ramps and lake shore
- Sanitary containers with sufficient, single-gender shower, toilet and changing room facilities will be near the boat park as well, checked, cleaned and sanitized regularly, several times a day
- Coach boats will have their assigned places in the marinas' berthing places as indicated on the site plan
- 3 to 4 ramps will be provided for the sailboats
- Trailer park as well as car park will be be in a walking distance from the boat park

Racing

The racing area is within one Nautical Mile from the shore. No shipping obstructions or limitations, it's an absolutely safe and "free to sail area" from shore to the open water
